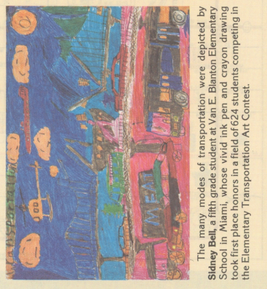
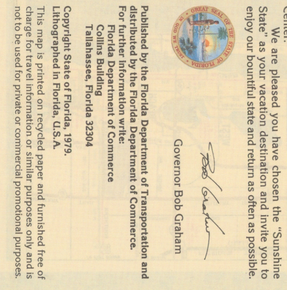
ABOUT OUR COVER . . .

Ann Silvestro, a student in the Coral Gables High School Adult Education Program, created this colorful map, interpreting Florida through the use of bright colors and graphic, stylized images. Her work was judged best of 197 entries in a contest for Dade County Adult Students and throughout Florida in the second statewide map cover design contest.



Rebecca A. Beard, an eighth grade art student of Ms. Dora Perry at Pine Ridge Middle School in Naples, depicted the Everglades in this colorful drawing for the 1979 annual Middle School Transportation Art Contest. Two hundred sixty two middle and junior high school students submitted entries.



The many modes of transportation were depicted by **Sidney Bell**, a student at Tallahassee Junior High School in Miami, whose vivid ink pen and crayon drawing took first place honors in a field of 624 students competing in the Elementary Transportation Art Contest.

Governor Bob Graham

WELCOME TO FLORIDA
"The Sunshine State Of Mind"

Our state offers its visitors a wide variety of beautiful and exciting opportunities for leisure and vacation enjoyment. Florida's six regions contain natural, historical and man-made attractions as well as many cultural activities.

Our history reflects man's greatest contributions from the nation's oldest settlement at St. Augustine to progressive explorations in space at the Kennedy Space Center.

We are pleased you have chosen the "Sunshine State" as your vacation destination and invite you to enjoy our bountiful state and return as often as possible.
