Site Review Checklist

(To assist in determining eligibility for school transportation based on hazardous walking conditions in accordance with section 1006.23, Florida Statutes)

Walkways Parallel To The Road

YES	NO	
_____	X	1. Is the location in a residential area with little or no traffic? Is the location in a residential area and on a road or street that is not used as a major artery or cut-through?
_____	X	2. Is the location on a road where the traffic volume is fewer than 180 vehicles per direction per hour at 6:00 am - 9:00 am and 2:00 pm - 4:00 pm? **Note:** *If the traffic count during the times students must walk is 180 vehicles per hour or more, in either direction, the answer to this question is "no."*
_____	X	3. Is the area located in a residential area and on a road that has a posted speed limit of 30 miles per hour or less?

*** If the answer to either 1, 2 or 3 is "YES," the area does not qualify as a hazardous walking location.**
*** If the answers to 1, 2 and 3 are all "NO," continue to next question.**

If the posted speed limit is less than 50 mph:

_____	X	4. Is there an area at least four feet wide with a "surface upon which students may walk" that prevents the students from having to walk on the road? ***Note:*** *The surface does not have to be a sidewalk, but simply a surface upon which the students may walk. Weeds, tall grass or flooding may be temporary maintenance problems that do not constitute a hazardous walking area. A walking surface does not include drainage ditches, sluiceways, swales or channels. A paved area contiguous with the paved roadway or extended shoulder (also known as a "breakdown lane"), with no separation from the driving area or raised curb, is* ***not*** *a walkway.*

If the posted speed limit is 50 mph or greater:

_____	_____	5. Is the road uncurbed with a four-foot wide walking surface (as defined in #4 above) separated from the road by an additional three or more feet?
_____	_____	6. Is the road curbed with at least a four-foot wide walking surface (as defined in #4 above)?

Location Code: _____

* If the answer to 4, 5 or 6 is "YES," the area does not qualify as a hazardous walking surface.

Walkways Crossing Over The Road

(When students must cross the road)

A. For an "uncontrolled crossing site" (no crossing guard, traffic enforcement officer, stop sign or other traffic control signal present during student walk times):

YES	NO	
_____	_____	1. Does the traffic volume exceed 360 vehicles per direction, per hour (either direction, including all lanes in each direction)?
_____	_____	2. Does the road have a posted speed limit of 50 MPH or greater?
_____	_____	3. Does the road have six or more lanes (not including turning lanes)?

* If the answers to the above questions are "NO," the area does not qualify as a hazardous walking surface.
* If the answer to any of the above questions is "YES," the area would qualify as a hazardous walking surface.

B. For an intersection or crossing site controlled by a stop sign or other traffic control signal, <u>but without</u> crossing guards or traffic enforcement officers during the times students must walk:

_____	_____	2. Does the total traffic volume (total of both directions) exceed 4,000 vehicles per hour?

* If the answer is "NO," the area does not qualify as a hazardous walking surface.

C. Any intersection or other crossing site <u>with</u> a crossing guard or other traffic enforcement officer does not qualify as a hazardous walking location, regardless of the posted speed limit.

D. Comments/Notes/Diagrams:

Area of Hoffner Ave. (SR 15) between Goldenrod Road and Commander Drive has no 4-foot walk path available on the north side of Hoffner. This is due to a large-scale DOT construction project that is going on in this area. This hazard affects about 30 students who attend McCoy Elementary School.

Location Code: _____

Site Authorization and Signature Verification

School District: **Orange** Site Review Date: **1/27/17**

Hazard Location: **Hoffner Avenue (SR 15) between Goldenrod Road and Commander Drive**

Hazard Location Is: **X** Parallel to the road Traffic Count: **NA**

_____ Crossing over the road Traffic Count: _____

Hazard Jurisdiction: _____ Municipal (Identify: _____) _____ County **X** State

Permanent Hazard? _____ Yes **X** No If no, anticipated correction date: **Summer 2019**
