Project Commitments Record

Commitment Title:	Sea Turtle - lighting		
Commitment Made To:	Escambia County	**Environmental Commitment:**	Yes
Status:	Transmitted To Design	**Affects Any Other Environmental Commitment:**	No
Implementation Discipline:	Construction	**Commitment Approval Date:**	9/23/2019
Transmittal Date:	10/2/2020		
Commitment Description:	To prevent impacts to sea turtles during nesting season (May 1 to October 31) from night-time illumination, any night-time lighting used for construction shall be in accordance with Escambia County Design Standards Manual, Chapter 2-Environmental, Article 1-6 Barrier Island Lighting. This ordinance allows temporary construction lighting, mounted not more than 15 feet from the ground and used only during active construction periods. Lighting shall be used for the work area only and shall not illuminate the beach.
