The Florida Department of Transportation announces public meetings to which all persons are invited.

Due to the inclement weather event expected to affect many of our Florida communities over the next several days and recognizing that some participants may be unable to attend, we have decided to postpone these important subcommittee meetings.

We will reschedule them for a date after the first of the year and will share updated meeting information as soon as it is available.

Thank you for your understanding, and we wish everyone a safe and healthy holiday season.
