Re: 2026-2027 Annual Regulatory Plan

Dear Mr. Plante:

Pursuant to the requirements of Section 120.74(1)(d), Florida Statutes, I have reviewed the enclosed regulatory plan identifying and describing each rule the Department of Transportation proposes to adopt this fiscal year, excluding emergency rules.

The regulatory plan also includes a listing of all of the Department's administrative rules, the yearly review schedule for each year of the 5-year rule review in accordance with Section 120.5435, Florida Statutes, the list of pending rule reviews to complete pursuant to section 120.74(1)(f)1., Florida Statutes, and the Department's licensing activities of the prior fiscal year (FY 2025-2026).

The report has been posted on the Department's website at: www.fdot.gov. Please let us know if the Committee requires any additional information.

Sincerely,
