In Case of Emergency, Use Emergency Notification Sign (ENS) To Get Help

Report emergencies and safety concerns at a highway-rail grade crossing by using the unique information on the ENS sign at the grade crossing.

- Locate the blue-and-white ENS sign at the grade crossing.
- Call for help! Call the railroad's unique emergency contact number listed on the ENS sign.
- Communicate location by providing the identification number and state the nature of the emergency to the dispatcher.
