This map was compiled from U.S. Geological Survey
aerophotographs, Florida Dept. of Transportation aerial
photographs, and other sources. The Florida Department
of Transportation Surveying and Mapping Office is not
responsible for inaccuracies resulting from unknown or
unavailable information.

This map was compiled using interactive computer graphic
methods.

This map was prepared on the Transverse Mercator
projection, 1883 North American Datum, Florida system of
coordinates, East Zone.

The railroad stations on this map do not necessarily
denote the presence of a depot or line facility. It may be
only a point, such as a platform or siding, designated for
the receipt or delivery of freight.

No attempt has been made to show all drainage canals
or ditches.

All populations are taken from the 2000 United States Census.
In 2000 the population of Brevard County was 416,230. There
are 1,021 square miles in the county.

No credit is made for the basic cartographic source
material taken from a work or works of the United States
Government.

Due to the date of this map, the Florida Department of
Transportation assumes no responsibility for inaccuracies
in road alignments, configurations, or intersections or
other related data.

Corporate boundaries are determined using all available
information at the date of revision. The Florida Department
of Transportation Surveying and Mapping Office is not
