This map was compiled from a variety of Federal, State, and local data sources, Florida Department of Transportation (FDOT) aerial photography completed on March 2017, and previously published County General Highway Maps. This map was prepared on the Albers Equal Area Conic Projection, 1983 North American Datum.

State Highway System (SHS) road information is provided by the FDOT Transportation Data and Analytics Office, all other road information is provided by HERE and is Copyright 2015 HERE.

The railroad stations on this map do not necessarily denote the presence of a depot or like facility. It may be only a point, such as a platform or siding, designated for the receipt or delivery of freight. No attempt has been made to show all drainage canals or ditches.

All populations are taken from the United States Census Bureau, in 2020 the population of Lake County was 375,492. There are 938 square land miles in the county.

The Public Land Survey System (PLSS) is shown for reference only and is a compilation of information based on the United States Geological Survey (USGS). If the county contains half Townships and or Ranges these are labeled as room permits within the map.
