This map was compiled from a variety of Federal, State, and local data sources. Florida Department of Transportation (FDOT) aerial photography completed on April 2008, and previously published County General Highway Maps.

This map was prepared on the Albers Equal Area Conic Projection, 1983 North American Datum.

Some transportation data is provided by Navteq North America, LLC, and is Copyright 2012, Navteq North America, LLC.

The railroad stations on this map do not necessarily denote the presence of a depot or like facility. It may be only a point, such as a platform or siding, designated for the receipt or delivery of freight. No attempt has been made to show all drainage canals or ditches.

All populations are taken from the United States Census Bureau, in 2010 the population of Indian River County was 158028.

The Florida Department of Transportation (FDOT) is providing this data "as is" and FDOT disclaims any and all warranties, whether expressed or implied, including (without limitation) any implied warranties of merchantability or fitness for a particular purpose.
