This map was compiled from a variety of Federal, State, and local data sources, Florida Department of Transportation (FDOT) aerial photography completed on December 2010, and previously published County General Highway Maps.

This map was prepared on the Albers Equal Area Conic Projection, 1983 North American Datum.

Some transportation data is provided by HERE, and is Copyright 2015, HERE.

The railroad stations on this map do not necessarily denote the presence of a depot or like facility. It may be only a point, such as a platform or siding, designated for the receipt or delivery of freight. No attempt has been made to show all drainage canals or ditches.

All populations are taken from the United States Census Bureau, in 2010 the population of Nassau County was 73,314. There are 619 square miles in the county.
