| Ramp                 |                               |                                |                                 |                                 |                        |                                  |

This map was compiled from a variety of Federal, State, and local data sources. State Highway System (SHS) road information is provided by the FDOT Transportation Data and Analytics Office, all other road information is provided by HERE 2024Q1©.

No attempt has been made to show all drainage canals or ditches.

Cities and towns are only shown when location can be verified by Census data. Population data was taken from the 2020 United States Census Bureau decennial count where the population of Washington County was 25,318. There are 583 square land miles in the county.

This map was prepared using:  
 Projection: Albers Equal Area Conic FGDL  
 Datum: North American 1983 HARN  
 Florida State Plane Zone: 903 North (Lambert)
