PROJECT DESCRIPTION

This project includes reconstruction of the interchange at Fruitville Road in Sarasota County from the existing partial cloverleaf configuration to a diverging diamond interchange. The project will widen about 2 miles of I-75, from Palmer Boulevard to north of Fruitville Road through reconstruction of the existing 6-lane highway and the addition of auxiliary lanes and will replace the existing bridges over Fruitville Road. The project will also include widening of about 1.6 miles of Fruitville Road from Honore Avenue to east of Coburn Road.
