**PROJECT DESCRIPTION**

This project will construct a new alignment of S.R. 29 as a four-lane divided roadway to serve as a loop around the downtown Immokalee area. The design will have four 12-foot travel lanes with curb and gutter on both sides, a 22-foot median, and 12-foot shared use paths on both sides. The project also includes drainage improvements along the entire length of the corridor. For additional project details, please visit <https://www.swflroads.com/project/417540-5>.
