

Discretionary vs Formula Funding for Florida

Estimated 2023 Federal Transportation Funding Breakdown

2023 Discretionary Grant Awards

2023 Formula Funding

- In 2023 USDOT awarded over \$31 billion in federal discretionary grants.
- Transportation providers in Florida (FDOT, cities, counties, MPOs, and transit providers) received an estimated \$573 Million from FHWA, FTA, and FRA in 2023.
- Overall, Florida's share of the 2023 Federal Discretionary Grants was 1.81%.

- The Federal Highway Administration allocated \$53.5 billion in formula funding in 2023.
- Florida's share of that allocation was \$2.56 billion.
- In 2023, Florida received 4.78% of the federal highway formula funding.

At a minimum, Florida should receive the same discretionary share as their formula share (4.78%)
