EXPERIENCE

In 1972 Ken Harp began working in the Florida highway construction industry. Duties have included Area Superintendent, Project Manager, Layout Surveyor, Traffic Control Specialist, and Equipment Supervisor.

Mr. Harp is a citizen of the Cherokee Nation. He became a Florida Certified General Contractor in 1984 and holds license number CGC031793. Mr. Harp is a member of the American Society of Highway Engineers, the Dispute Resolution Board Foundation, the American Indian Science and Engineering Society, and is a general aviation pilot, a Master Gardener Volunteer, and a beekeeper. In 2016 he retired from his 28-year term of employment with an ENR 400 contractor. He currently serves on Disputes Review Boards in FDOT Districts 3, 5, and 7.
