

Resume for DRB Consideration  
Robert G. (Bob) Burleson

Education:

1970 B.S. Building Construction; Virginia Tech

Work:

1971-1988 Wiley N. Jackson Company, heavy highway contractor headquartered in Roanoke, VA with offices in Jacksonville, FL and Orlando, FL. I started as a project superintendent and finished as Vice President in charge of Administration, Paving operations and North FL construction.

Wiley N. Jackson was a family business and we sold our operations in 1987 and 1988.

Jan. 1989-Dec. 2018 President of Florida Transportation Builders' Association. Involved numerous negotiations with contractors and FDOT thru the years. Worked to resolve many construction issues on projects.

Along with Bobby Buser and Jimmy Lairscey developed idea for DRB's on FDOT projects and worked to implement DRB's on all FDOT projects.

My work experience with FDOT now spans 50 years.
