

## **THOMAS B. TERPENING, P.E.**

2895 Gatlin Road  
Tallahassee, Florida 32310  
850/575-7212  
[tomt@quadra.net](mailto:tomt@quadra.net)

**EDUCATION** BS Civil Engineering, University of Florida, 1953

**REGISTRATION** Professional Engineer, Florida No. 4843

**EXPERIENCE** Mr. Terpening has over 45 years of experience in engineering and construction. Much of this experience has been in a senior management role. His present role with HDR is as Senior Project Manager on major construction engineering and inspection projects.

In his various construction-related positions, Mr. Terpening managed the construction of many miles of utility lines, both water and sewer, from small diameters up to a 42" force main. He has also been responsible for the construction of road and highway projects including his role as construction manager on a sanitary landfill closure.

During his tenure with the Florida State Turnpike, where he served as Director of Operations, Assistant Chief Engineer, and Director, and with J.E. Greiner Company, Inc., as an Associate, Vice President, and Senior Vice President, he was responsible for engineering design, construction, and administering bond funds for over \$650,000,000 worth of projects. These projects included the extension of Florida's Turnpike from Ft. Pierce to Wildwood, the Homestead Extension of Florida's Turnpike, the Beeline Expressway Extension, Everglades Expressway, I-95 in downtown Miami, and the Tampa-Hillsborough County Crosstown Expressway.

**PROFESSIONAL ACTIVITIES** Served as Member, Vice President, and President of the Florida State Board of Professional Land Surveyors and Engineer Examiners

Served as Director, Secretary, Vice Chairman, and Chairman of the Consulting Engineers of Florida

Served on the National Board of Directors of Professional Engineers in Private Practice

Member of National Society of Professional Engineers

Member of American Society of Civil Engineers

Received the Florida Engineering Society's Engineer of the Year Award for the State of Florida in 1973
