THIS MEMO IS EXPIRED

MEMORANDUM NO. 02-99

TO: DISTRICT CONSTRUCTION ENGINEERS

FROM:  Greg Xanders, State Construction Engineer

COPIES: Bill Albaugh, Charles Goodman

SUBJECT: 1999 SOUTHERN REGIONAL QUALITY WORKSHOP FOR MATERIALS AND CONSTRUCTION

The FDOT will be hosting the 1999 Southern Regional Quality Workshop for Materials and Construction in Orlando on March 10-12, 1999. Building on the success of the previous FHWA Region 4 Quality Management Workshops, the planning committee has prepared an excellent program for this workshop including technical presentations, group discussions and exhibits. The attached brochure provides detailed information on the workshop program.

I hope you will be able to attend the workshop and take advantage of this great opportunity to interact with colleagues from other states and industry partners in the region. I would also appreciate it if you would assist me in distributing the additional brochures to your staff, consultants, contractors and industry associations in your state.

I hope to see you in Orlando.
