THIS MEMO IS EXPIRED

MEMORANDUM NO. 23-99

TO: DISTRICT CONSTRUCTION ENGINEERS

FROM: 
Greg Xanders, State Construction Engineer

COPIES: Charles Goodman, Archie Montgomery,
Area Construction Engineers

SUBJECT: EXTENSION OF PHYSICAL LIMITS OF A PROJECT

At the June DCE Meeting the question was asked, "could the District Construction Engineer Approve the request to extend the limits of a project?"

Since the Statutes are very limited in allowing the use of a Supplemental Agreement to expand the physical limits of a project, I believe that it is prudent to keep the approval function in the State Construction Office at the present time to ensure consistency.

Should you have any questions, please advise.
