MEMORANDUM NO: 31-03

TO: DISTRICT CONSTRUCTION ENGINEERS

FROM: Ananth Prasad, State Construction Engineer 

COPIES: David Sadler, David Chason, Tom Malerk, Gale Page, Bob Burleson (FTBA), and Jim Warren (ACA).

SUBJECT: QUALITY ADJUSTMENTS ON LUMP SUM PROJECTS

It is the Department's intention that Contractors be compensated, on Lump Sum contracts, for increased density of asphalt (pre-CQC contracts) and the composite pay factor (for CQC contract) as a Quality Adjustment.

For those contracts that did not list unit prices in Table 9-4 of the Special Provision Section 9-2.2.4, Quality, such prices for Quality Adjustment will be established based on previous six-month average from the month the contract was let.

If you have any questions, please contact David Chason in the State Construction Office at 850-414-4171 (suncom 994-4171).
