SUBJECT: EXTENSION OF CTQP FINAL ESTIMATES LEVEL 2 QUALIFICATIONS

Due to pending changes in the administration of the Construction Training and Qualification Program, the CTQP Final Estimates Level 2 courses previously scheduled on the CTQP website for presentation after December 3, 2004 have been cancelled. In order to mitigate any inconvenience caused by these cancellations, the duration of the existing Final Estimates Level 2 qualifications is being extended as follows.

Final Estimates Level 2 qualifications previously set to expire between December 10, 2004 and June 30, 2005 will be extended to July 31, 2005. It is anticipated that additional final estimate training will be available to facilitate re-qualification prior to July 31, 2005.

Please contact David Chason, Final Estimates Manager, Tel (850) 414-4171, SC 994-4171 or E-mail at david.chason@dot.state.fl.us for questions on specific final estimates qualifications
