**This Memo Has Expired**

**DCE MEMORANDUM NO. 14-07**

(FHWA Approved: 7-18-07)

**TO: DISTRICT CONSTRUCTION ENGINEERS**

**FROM:** Brian Blanchard, Director, Office of Construction

**COPIES:** Bob Burleson (FTBA)

**SUBJECT: REVISION TO SPECIFICATION 9-8 Acceptance and Final Payment  
Requirement of Form FHWA-47**

A handwritten signature in blue ink, reading "Brian Blanchard".

Under the Standard Specification 9-8 (g), there is a requirement that all contractors submit the Form FHWA-47 to the Department in order to receive final payment on all Federal Aid Projects. FHWA has recently discontinued the requirement for submittal of this form by the Department; therefore it will not be required from the contractor.

The revision will be introduced in the next specification update, but needs to be implemented as soon as possible by authority of this memorandum. Specification 9-8 (g) will be deleted as well as the verbiage relating to Form FHWA-47 in Specification 9-5.4.

Please contact David Chason in the State Construction Office at (850) 414-4171 should you have any questions.
