**SUBJECT: RAISED RETRO-REFLECTIVE PAVEMENT MARKERS – QUALIFIED
PRODUCTS LIST REMOVAL**

This memo is issued to notify field personnel that the following Class B - Bidirectional White/Red Raised Retro-Reflective Pavement Markers (RPM) have been removed from the Department's Qualified Products List (QPL):

QPL # S706-0205

**Pac-Tec Ray-O-Lite AA-ARC II-FH –

Projects requiring Class B – Bidirectional White/Red RPMs must use one of the remaining products listed on the QPL. Due to availability, any problems with acquiring RPMs on the QPL within the next two weeks will be evaluated on a project by project basis.

Only the Class B - Bidirectional White/Red RPMs are removed from the QPL and cannot be used as permanent markers. However, they are listed on the QPL as Class A and can be used as Work Zone Raised Pavement Markers.
