David A. Sadler, P.E., Director, Office of Construction

COPIES: Robert Robertson, Tim Lattner, Chris Richter, Chad Thompson, Abraham Scott, Brian Blanchard, Bob Burleson, Duane Brautigam, Roosevelt Petithomme

SUBJECT: RECENT SPECIFICATION REVISION TO ARTICLE 346-3.3 MASS CONCRETE

Contractors on existing projects may request of the Department that specification 346-3.3 be revised as shown below:

From paragraph 4 of Section 346-3.3, delete:

Do not remove the temperature control mechanisms until the core temperature is within 35 degrees F of the ambient temperature.

and substitute:

Do not remove the temperature control mechanisms until the core temperature is within 50 degrees F of the ambient temperature.

This memorandum serves as a blanket approval to process this change as a no cost specification revision and shall be attached to the work order or supplemental agreement required for its processing.

For questions or discussion of this matter, contact Steven Plotkin at (904) 360-5501 or Mike Bergin at (352) 955-6666.
