### DCE MEMORANDUM 16-12

(FHWA Approved: 5/9/2012)

**TO: DISTRICT CONSTRUCTION ENGINEERS**

**FROM:** David A. Sadler, P.E., Director, Office of Construction

**COPIES:** Tom Byron, Bob Burluson (FTBA), Chris Richter (FHWA), Chad Thompson, Rafiq Darji, Heather Dean, Rudy Powell

**SUBJECT: COMMERCIAL MATERIAL FOR DRIVEWAY MAINTENANCE**

Due to a technical error, a subarticle of the specification workbook beginning with January 2012 was deleted and replaced with the wrong information. This issue will be corrected with the July 2012 letting and thereafter but needs to be corrected immediately by authority of this memorandum for contracts let between January 1, 2012, and June 30, 2012. If your contract contains the following pay item:

102-3 Commercial Material for Driveway Maintenance

Delete Subarticle 102-11.14 and replace it with the following:

**Commercial Material for Driveway Maintenance:** The quantity to be paid for will be the certified volume, in cubic yards, of all materials authorized by the Engineer, acceptably placed and maintained for driveway maintenance. The volume, which is authorized to be reused, and which is acceptably salvaged, placed, and maintained in other designated driveways will be included again for payment.

This memorandum serves as a blanket approval to process a \$0.00 specification change and should be attached to the Work Order or Supplemental Agreement used to document the change.

If you have any questions, please contact Stefanie Maxwell at 850-414-4314.
