SUBJECT: STRUCTURAL CONCRETE RESOLUTION COST FOR VERIFICATION
BEING UPHELD

Specifications Section 346 requires the Project Administrator to assess a 5 percent pay reduction for the quantity represented by the Resolution Investigation (usually four lots) when the Resolution Investigation upholds the Verification results. The January 2013 workbook has reduced this amount to a standard reduction of one thousand dollars (\$1000.00). This is more reflective of the statewide average of the cost of a typical Resolution Investigation.

This provision may be incorporated into current projects let before January 2013 if Resolution is performed and Verification is upheld. This memorandum serves as a blanket approval to process a \$0.00 specification change and should be attached to the Work Order or Supplemental Agreement used to document the change.

Should you have any questions please contact Mike Bergin 352-955-6666 or Steve Plotkin at 904-360-5501.
