CONSTRUCTION BULLETIN NO. 02-04
(FA 3/15/04)

TO: DISTRICT CONSTRUCTION ENGINEERS

FROM: Ananth Prasad, Director, Office of Construction 

**SUBJECT: CONSTRUCTION TRAINING AND QUALIFICATION MANUAL
(CTQM), CHAPTER 8 STRUCTURES TRAINING AND
QUALIFICATION PROGRAM**

This procedure has an accompanying specification, which went into effect January 1, 2004.

There was a substantial change to Chapter 8 of the CTQM. Because of the change in Specification 462 addressing Post Tension Structures, it is necessary to have a training/qualification procedure in effect immediately.

This draft procedure shall be used as the training and qualification authority document until superceded by another draft or the final, approved version.

If you have any questions, please contact Douglas Townes at (850) 414-4151.
