SUBJECT: CORPORATE & SURETY SEALS WITH DIGITAL SIGNATURES

For all projects let July 2016 and after, *Standard Specification 4-1* states that written documentation must be conducted by a paperless electronic means. Any document requiring a signature must be executed electronically in accordance with Chapter 668, Florida Statutes.

If a document requires a corporate and/or surety seal, the seal will not be required on documents which are digitally executed. The same document would require corporate and/or surety seal if executed by wet-ink signature.

If you have any questions regarding this matter, please contact Kristin Brown at (850) 414-4280.
