SUBJECT: REBAR AND PRESTRESSING STRAND MATERIAL PRICE INDICES

The material price adjustments for prestressed beams have been revised to appropriately reflect material cost impacts. The factor for prestressed beams is changed from 0.51 to 0.24. All other factors and requirements in DCE Memo 22-05 remain in effect.

The contractor must submit revised certifications for the affected pay items. Applicable adjustments that have been applied to monthly estimates must be corrected to the new factor with a negative Line-Item Adjustment on the next monthly estimate. Applicable adjustments on contracts final accepted prior to the date of this revised memo will remain without modification.

A revised certification and additional project specific guidance for MPAs can be found on the Department's website: <https://www.fdot.gov/construction/material-price-adjustment>.

If you have any questions, please contact Ashley Anderson, P.E. at 850-414-4184 or by email at Ashley.Anderson@dot.state.fl.us.
