Forum Description: The Florida Department of Transportation District 7 is hosting a **Maintenance of Traffic (MOT)** Industry Forum to discuss **MOT issues** for the design and construction of roadway improvements to US 301/SR 43 from north of Lake St. Charles Blvd to north of Progress Blvd and US 301/SR 676A from south of Bloomingdale Ave. to Bloomingdale Ave. and I-75 northbound on ramp from northbound US 301 to I-75 northbound in Hillsborough County. These improvements include new concrete pavement, rehabilitation of existing concrete pavement, milling and resurfacing of existing asphalt, paving, signing and pavement markings, lighting, signalization, utility coordination, permitting, drainage structures, sidewalk, walls, earthwork, grading, sodding, maintenance of traffic and other services, materials and activities necessary to complete the project.

Attendance is not mandatory but is recommended to learn more about the Maintenance of Traffic considerations related to this project.

Forum Registration: Advanced registration is required and may only be accomplished by contacting the Project Manager, Eyra Cash at eyra.cash@dot.state.fl.us no later than 5:00 PM April 15, 2020.

[illegible]

MOT One-on-One meetings: There will be an opportunity for interested proposer teams to participate in one-on-one meetings following the MOT Industry Forum presentation. FDOT and Hillsborough County Representatives will be available for 45 minute one-on-one meetings for the **sole purpose** of discussing Maintenance of Traffic considerations. **These meetings are not a marketing opportunity.**

Scheduling MOT One-on-One meeting: Meetings shall be scheduled on a Team basis with team members only attending one meeting. These meeting are 30 minutes long and will be **virtual only**. Teams have the option of sharing their desktop to display graphics and/or documents, showing video of their team, or not utilizing video. **To schedule a MOT one-on-one meeting contact:** Eyra Cash at eyra.cash@dot.state.fl.us

TRC Marketing Meetings: On April 9, 2020 there will be an opportunity to meet with the TRC for marketing purposes. The TRC members for this project are: Mark Chianese, Ron Chin, Thomas Delli Bovi, and Mike MacKinnon.

Scheduling TRC Marketing Meeting: To schedule a TRC Marketing meeting contact Eyra Cash at Eyra.Cash@dot.state.fl.us
