### Agenda Items:

- Greetings and introductions
- Round Table updates from attendees
  - Lori – D1: Share point DCTA site, link to be sent to all DCTAs. They are hosting an auger cast pile class today.
  - Mark – D2: To help determine how to spend money from budget, they now have a functional database to track expirations and needs.
  - Henry – D4: They are developing a Training Sharepoint site. On 8-22-2014 they are having a contract interpretation course. This course is offered by outside sources.
  - Dee – D5: They are scheduling MOT courses.
  - (Discussion expanded by Susan to explain that FDOT Roadway Design has contracted with a vendor that has developed a website/database for tracking MOT certifications. Although rumored no other changes have been implemented.)
  - Barbara/Franck – D6: They are scheduling FE 2 courses. Critical Path Method training has been scheduled for Sept 12, 2014. They will focus on scheduling a traffic signal course later in the year. There are HRD budget issues due to additional employees needing training this year.
  - Debbie – TP: Difficulty getting training courses due to not being able to use TP facilities. They are looking at hosting a Bridge Painting course (SSPC)
  - CO- Construction Academy update
- Review of Minutes from last teleconference
- Follow up items from last meetings
  - Availability of CTQP courses – Discussed at Providers meeting, no formal changes made to process at this time.
  - CTQP course schedule to separate exam only from course and exam.
  - CTQM review and updates
- CTQP Providers' meeting
- 2014 Construction Academy
- CTQP TRESS numbers to inactivate
  - FE 1 will have a course completion certificate
- CTQP budget (ran out of time/had already talked a little about budget)
- Additional Topics (ran out of time)
- Item to Follow Up On.

- P.E. Trainee outline and exam (Susan)(email to DCTA)
- Talk to Director about FE 2 course being provided by FDOT (Susan)
- Talk to Dan about SSPC (bridge painting course)
- CTQP Providers could utilize contractors' lab space – let providers know / can't use FDOT labs due to insurance cost; Ask TRT if non approved labs can be used for proficiency testing.
