

TC3

Construction Trainings

TC3 has some excellent computer based training and it is available **for free** to Department employees.

Step 1: Registration Process

To take these classes for free, you must register as a State Employee.

Go to <https://bookstore.transportation.org/Home.aspx>

Select the **Registration** Button.

The screenshot displays the AASHTO Bookstore website interface. At the top, a navigation bar includes links for 'About AASHTO', 'Shop By Phone @ 1-800-231-3475', 'Shopping Cart', 'Checkout', 'My Bookstore', 'FAQ', and 'Contact Us'. Below this is a search bar with a dropdown menu set to 'All Current Publications' and a search button. The main header features the 'BOOKSTORE AASHTO' logo. The content area is divided into four columns:

- Publications Catalog:** Shows a 'Download' button and options for 'Catalog By Mail' and 'Change Address / Unsubscribe'.
- Featured Publications:** Displays a red banner with the text 'Click here to start Registration.' and a green arrow pointing to the 'Registration' button in the adjacent column. Below the banner are 'New Publications' and 'Coming Soon' buttons.
- AASHTO E-Affiliate:** Contains text: 'When you create an account, you become an AASHTO E-Affiliate. It's the easiest way to place and track orders and get special discounts.' Below this are buttons for 'Login', 'Registration', and 'Check Order Status'. A 'Training' section at the bottom includes a 'TC3 Online Training' button.
- Browse and Search:** Features a 'Browse' button, a 'FULL SEARCH' button with a magnifying glass icon, and an 'AASHTO Academics' section with buttons for 'PE Exams' and 'Academic Promotions'.

Type in your DOT email and select the **Next** button.

The screenshot shows the AASHTO website's account registration page. At the top, there is a navigation menu with links for About AASHTO, Bookstore, Software, Meetings, Committees, Programs, Newsroom, and Employment. Below the menu is a header with the AASHTO logo and social media icons for Facebook and Twitter. The main content area is titled "AASHTO Account" and "AASHTO Bookstore". It includes a "Login" and "Register" button. The main text reads: "Become an AASHTO E-Affiliate. It is Easy. You Will Get Special Discounted Prices. Plus, It Makes Ordering Easier, Too!" followed by a paragraph explaining the benefits of being an E-Affiliate. Below this is a "Notice to employees of AASHTO Member Departments and Associate Members" section. The registration form is titled "AASHTO Account Information" and has a section for "E-mail Address" with the instruction "Please provide your e-mail address." The form field is highlighted in yellow, and a green arrow points to it from a callout box that says "Enter your DOT email address and select the Next button." Below the form field are two buttons: "Next" and "Cancel".

AASHTO > AASHTO Account Registration

Become an AASHTO E-Affiliate. It is Easy. You Will Get Special Discounted Prices. Plus, It Makes Ordering Easier, Too!

AASHTO E-Affiliates are eligible for free domestic shipping on all orders placed via the AASHTO online bookstore*. Typically this is equal to a 5% discount on the total cost of your order. Plus, becoming an E-Affiliate allows you to keep track of your order history and provides immediate access to many AASHTO electronic publications online. You will also receive automatic communications about interims and new releases of the publications you use.

*AASHTO E-Affiliates are eligible for discounted standard international shipping. Typically this is equal to a 5% discount on your order.

Notice to employees of AASHTO Member Departments and Associate Members:

Terms and Conditions

By becoming an E-Affiliate, you are granting AASHTO permission to contact you via e-mail to inform you about AASHTO products and services. In addition, your information will be added to the AASHTO database, which will be used to periodically mail you the AASHTO catalog as well as other promotional materials. AASHTO may also share your postal information with other companies (for a one-time specific use) to send you promotions that we think will be of interest to you. We will never share your e-mail address with any persons or organizations outside AASHTO.

Terms and Conditions:*

- I agree to the terms and conditions. (You must select this check box to complete your AASHTO account registration.)
- I wish to become a registered user, but you may not contact me. (Selecting this option means that I will not receive updates of new releases, interims, errata and publications catalogs. However, subscription services (e.g., AASHTO Journal) that I have selected on this form will still be sent to me. I may unsubscribe from these subscriptions separately.)

User Validation

Item Detail

Advanced Self-Consolidating Concrete

Course overview: This training will cover the basic characteristics of self-consolidating concrete (SCC) as well as advantages of using SCC as compared to conventional concrete. In addition, it will discuss SCC's composition and proportioning, and fresh and hardened properties. Finally, the course will review specific examples where SCC has been used and the details of SCC use in slipform paving.

Training level: This training is recommended for the Transportation Curriculum Coordination Council levels II, III, and IV.

Target audience: This training is targeted to anyone who would like to understand more about self-consolidating concrete, including personnel running self-consolidating concrete tests in the field along with supervisors in charge of field testing technicians.

Learning outcomes: Upon completion of the course, participants will be able to:

- Define SCC;
- List procedures for creating SCC;
- Identify SCC performance characteristics;
- Compare SCC and conventional concrete; and
- Recognize SCC applications.

TC3 Web-based trainings are FREE if your State contributes annually to the TC3 technical service program.

All sales are final. There are no refunds for Web-based trainings.
