Introduction
BASIS OF ESTIMATES MANUAL

I.1 PURPOSE

The Basis of Estimates Manual sets forth the standard methods of documenting design quantities, as well as selection criteria, for pay items for Florida Department of Transportation (FDOT) projects.

Pay items are used to define, quantify, and pay for items of work to be completed on the Department’s Maintenance and Construction Contracts.

I.2 AUTHORITY

Sections 20.23(3)(a) and 334.048(3), Florida Statutes (F.S.)

I.3 REFERENCES

Section 334.044(2), F.S.

I.4 SCOPE

This procedure impacts anyone preparing construction plans or specifications for the Department.

I.5 GENERAL INFORMATION

Chapter 334 of the Florida Statutes, as part of the Florida Transportation Code, establishes the responsibilities of the State, counties, and municipalities for the planning and development of the transportation systems serving the people of Florida, with the objective of assuring development of an integrated, balanced statewide system. The Code’s purpose is to protect the safety and general welfare of the people of the State and to preserve and improve all transportation facilities in Florida. Under Sections 20.23(3)(a) and 334.048(3), F.S., the Code sets forth the powers and duties of the Department of Transportation including adopting rules, procedures and standards for the conduct of its business operations and the implementation of any provisions of law for which the Department is responsible.

I.6 DISTRIBUTION

This document is published online at http://www.dot.state.fl.us/programmanagement/. Contacts, updates and registration information are available at the Basis of Estimates link on the above internet web page.
I.7 REGISTRATION

All users are encouraged to register online with the FDOT Project Management Contact Database located at http://www.dot.state.fl.us/projectmanagementoffice/contactdatabase.shtm. Registered users will receive e-mail notification of major updates and bulletins.

I.8 REVISIONS and UPDATES

*Basis of Estimates* users are encouraged to submit comments and suggestions for changes to this manual to the Program Management Office. When ideas or suggestions are received, they will be reviewed by appropriate Design and/or Construction staff in a timely manner, and will be coordinated with other offices affected by the proposed change. Issues warranting immediate change will be made with the approval of the State Estimates Engineer or State Program Management Engineer in the form of a Program Management Bulletin.

*Program Management Bulletins* will be posted online at http://www.dot.state.fl.us/programmanagement/.

NOTE: *Program Management Bulletins* will remain effective until either:

a) an official manual revision is published, or
b) the Bulletin is made void.

The Program Management Office will coordinate proposed revisions or additions with affected offices within the Central Office. All new chapters and substantive revisions that result in policy change will be coordinated in accordance with the Forms and Procedures Office in accordance with *Procedure No. 025-020-002, Standard Operating System*, and the Executive Committee for concurrence.
