Re: Strategic Technologies Utility Master Agreement

Dear Ms. Ziggler:

As President of Strategic Technologies, Inc., I hereby authorize Richard Bowen to execute the Utility Master Agreement between the Florida Department of Transportation and STI. Additionally, Mr. Bowen has my authorization to delegate those individuals within the company who may sign or handle specific matters that may arise throughout the length of the agreement between FDOT and STI.

I hope this letter allows STI to become registered properly in the State in a timely manner. Please contact me if you should have any questions regarding this matter. STI looks forward to working with you.

Sincerely,

Craig M. Johnson
President
