Gentlemen:

This letter is to advise you that Charles D. Gay, employee of US Sprint Communications Company and holding the title of Project Engineer is authorized to execute Utility Permit, Form 592-03, dated 2/86, of the State of Florida, Department of Transportation, a copy of which is attached hereto, pertaining to encroachments within selected highway rights of way under your jurisdiction. No additions or deletions from the printed form terms and conditions are permitted under this authority.

The purpose of these encroachments is to install a buried fiber optic telecommunications cable as part of a nationwide communications network currently under construction by this Company.

Your cooperation and understanding in this matter is appreciated.

Very truly yours,

Alan K. Stewart  
Vice President-Associate General Counsel
