

The image shows two large, white concrete pillars standing in a body of blue water. Each pillar has a decorative band around its middle, featuring a mosaic of marine life. On the left pillar, a dolphin is on the left and a manatee is on the right. On the right pillar, a manatee is on the left and a dolphin is on the right. The mosaic background is blue with white and brown accents. The pillars are set against a backdrop of green trees and a clear blue sky with some clouds. The text 'Community Aesthetic Features' is overlaid in the center in a white, outlined font.

Community Aesthetic Features

Cheri Sylvester
Quality Assurance Administrator
