AGENDA ITEMS:

Welcome and Introductions

Marie Tucker welcomed everyone to the meeting and everyone went around the room/phone and introduced themselves. Marie facilitated the meeting.

Current Project updates and/or discussion

Pre-Clearance at Motor Carrier Compliance Weigh Stations

Paul Clark:

MCSAW Prepass activity is similar to last year. September numbers deviate due to Hurricane Irma.

Pre-clearance at Agriculture Sites

Major Tim Rutherford:

AgPass Bypass and Pull-in Activity showing similar patterns.

Automated Permitting System Utilization

Industry is performing 90%+ of permit submittals.

BOL (Bill of Lading) Program

ASABE update: Vendor on board, 5 “Sprint” phases, currently on the second phase and entering into the technical attributes, algorithms.

E-Credentialing System Usage Stats

E-Credentialing system is experiencing some technologic challenges which are limiting usage. Hiring a .NET programmer should facilitate the simple fixes.

Trucking Industry Update

No discussion

MCSAW

Paul presented the material from the executive meeting.

Discussion on placing a stop on registrations coordination with DHSMV.

HNTB presented MCSAW access inventory efforts.

CNDM Admin Group

Solicited volunteers for use cases: Jeff Pouliotte and Ronnie Martin.

Monthly Reporting

Federal Partners: FMCSA monthly reporting to continue

Other Items

ITD workshop in April will be combined with MCSAP, FDOT planning to attend.

Next ITD Meeting

February 15, 2018
