

**Florida Innovative Technology Deployments (ITD)
Team Meeting Notes
Thursday, May 24, 2018 – 10 a.m.**

Attendees:

Marie Tucker, FDOT Traffic Engineering
Jeff Frost, FDOT Traffic Engineering
Jeff Dixon, FHP
Ken Richards, FDOR
Clayton Tyson, HNTB
David Binder, IIS

Phone:

Paul Hale, DACS
Paul Claunch, HELP Inc.

AGENDA ITEMS:

Welcome and Introductions

Marie Tucker welcomed everyone to the meeting and everyone went around the room/phone and introduced themselves. Marie facilitated the meeting.

Current Project updates and/or discussion

Pre-Clearance at Motor Carrier Compliance Weigh Stations

There was no one in attendance from MCSAW; please review information provided in handout.

Pre-clearance at Agriculture Sites

There was no one in attendance from Ag Law; please review information provided in handout.

Automated Permitting System Utilization

There was no one in attendance to report on PAS but information has been provided in the updated handouts. Clayton Tyson did let everyone know that Rule 14-26 has been updated and allows for nighttime movement until the vehicle reaches the Pensacola weigh station. The update to the rule also made permitted loads legal to move on the weekends all day.

BOL (Bill of Lading) Program

The numbers are down from last fiscal year due to being shut down for September and October but the Department is hoping to finish out the year strong. Electronic BOL up and running; it allows members of the electronic bypass programs to electronically submit their BOLs electronically thru a web portal.

E-Credentialing System Usage Stats

There was no one in attendance from DHSMV; please review information provided in handout.

Trucking Industry Update

Florida Trucking Association's new Vice President Alix Miller was in attendance. FTA held their Road Tour with support from FDOT, FHP and DHSMV. The event was very successful. Alix also mentioned that FTA is currently working with FHP to develop a program where a commercial vehicle driver can ride along with troopers.

Other Items

Jeff Dixon mentioned that FHP in conjunction with FMCSA has detail at the Port of Tampa that was very successful.
