Mark C. Wilson, P.E.
State Traffic Operations Engineer
Florida Department of Transportation
605 Suwannee Street
Tallahassee, FL 32399-0450

Dear Mr. Wilson:

Thank you for your letter of October 27 requesting approval to use green colored pavement in marked bike lanes and extensions of marked bike lanes on the State highway system in Florida. Your request is made under the provisions of Section 1A.10 of the 2009 edition of the Manual on Uniform Traffic Control Devices (MUTCD) and our Interim Approval Memorandum IA-14 dated April 15, 2011.

Your request is approved. Please maintain and periodically update a list of all locations where green colored pavement is installed on the State highway system in Florida. Your specific approval has been numbered "IA-14.14 – Green Colored Pavement for Bike Lanes – Florida DOT." Please reference this number in any future correspondence.

Thank you for your interest in improving highway safety. If we can be of further assistance on this matter, please contact Mr. Bruce Friedman at bruce.friedman@dot.gov.

Sincerely yours,

Mark R. Kehrl
Director, Office of Transportation
Operations
