

**Florida Greenbook Subcommittee – Chapter 11 Update  
Work Zone Safety  
Minutes of Meeting No. 2 – July 19, 2007**

**Meeting Attendees** (via teleconference)

Allen Schrumpf, Senior Associate – Dyer, Riddle, Mills & Precourt, Inc.  
Harold Desdunes, District Design Engineer - FDOT District 6  
Cheryl Adams, Maintenance of Traffic - FDOT Central Office  
Amy Datz, Transit Planning/Design Program Manager - FDOT Central Office  
Jim Mills, Criteria & Standards - FDOT Central Office  
Dennis Scott, State Pedestrian & Bicycle Coordinator – FDOT Central Office  
Jason Learned, Transit Planning/Design Intern - FDOT Central Office

**Notes of Meeting No. 2 are as follows:**

- A. Minute of Meeting No. 1 were reviewed and accepted.
- B. The entire text of the Chapter was reviewed, and a general consensus was reached as to whether or not to include each proposed revision in the Updated Chapter 11 or the Florida Greenbook.
- C. Allen Schrumpf is to review the text of the Introduction Section of the Florida Greenbook, to consider whether a passage may be needed to better indicate how other manuals that are incorporated into the Florida Greenbook by reference are to be interpreted.

*FOLLOW- UP: Upon review of the MUTCD, and Florida Greenbook as a whole, the addition of text to the Florida Greenbook on this issue is probably not appropriate. The MUTCD provides enough direction on this issue.*

- D. Allen Schrumpf is to prepare a final version of the Updated Chapter 11 of the Florida Greenbook for final approval by all members of this Subcommittee.
- E. Once this is completed, the final version of Updated Chapter 11 will be made available to all Members of the Greenbook Committee, in preparation for their action at the Greenbook Committee Meeting in March, 2008. Concurrently, it may also be provided to FDOT Legal Office for consideration.
- F. No further meetings of the Subcommittee are planned at this time.

**End of Meeting Minutes**
