

Greenbook – Drainage Task Force Meeting

Date: Wednesday August 24th Time: 10am-10:30am

Attendees: Alex Barrios (Miami Dade County), Andy Tilton (Johnson Engineering), Fred (Lake County), Jim Hunt (City of Orlando), Ken Todd (Palm Beach County), Jennifer Green (FDOT)

Agenda:

- Review response rate to survey monkey survey and determine if additional county responses are needed.

Discussion:

- Response rate 32% of Counties, 10% of cities.
- Only 4 north Florida counties responded to survey.
- FACERS list does not include all counties in Florida.
- The September 21st meeting has been rescheduled to the 22nd.

Action Items:

1. Fred – Review list of Counties that have not replied and send me the list of counties that are not members of FACERS so I can dig out contacts for the remaining counties.
2. Fred – Send FACERS members whom have not replied a reminder email to please fill out survey by September 2nd
3. All others – If you know a contact at an agency that has not replied, please feel free to email them a link to our survey and ask that they respond by September 2nd.
4. Jennifer - Compile results of survey on September 6th and send summary to task team by September 8th for review before the September 22nd meeting.
