Question:

5. Technical specs provided on online only include Divisions 21, 23, 26, and 28, which from what I understand per the pre-bid meeting are being provide by owner and are not by contractor is this correct? Can you provide missing specifications for all the Divisions required for this project?

Answer: Any other specific details are listed in the Drawings. For all materials not listed in the specifications or drawings the Contractor is to follow the manufacturer's specs.

Question:

6. What work is to be completed by the awarded contractor. Work is unclear per the drawings keynote legends and Addendum 1, (For example Addendum 1 option one states to include work shown on drawing sheets 1, 2, 4, 5, 7, 8, and, 10, but during pre-bid meeting Project Manager stated not to do anything with flooring it was being taking care of by owner, also no work was mentioned to be completed in Data room but per the keynotes listed on sheets listed in the addendum this work is shown to be completed by contractor along with other work not mentioned, please clarify.

Answer: Please see Answer to Question 3

Question:

7. Addendum 1 states to include scope of work shown on sheets 1, 2, 4, 5, 7, 8, and, 10. Please clarify we are **NOT** to include in the bid any work shown on sheets 3, 6, 9, and, sheets 12 through 23.

Answer: Please see Answer to Question 3.

Acknowledge receipt of this addendum in the space provided on the proposal.
