Description:

The improvements under this Contract consist of bridge rehabilitation and repair, including methacrylate deck sealing, concrete spall repair, signing and pavement marking, structural steel repair, steel and bridge painting on SR 70 over Kissimmee River - Bridge No. 910001, and integral pile jackets on SR 70 over Popash Slough - Bridge No. 910002 in Okeechobee County.

7-13.5 Marine General Liability Insurance: When the Contract involves work on, in, or around bridges over navigable waters and use of a vessel(s), carry Marine General Liability insurance providing continuous coverage for third-party personal injury and property damage caused by or in connection with the use of vessel(s) by the Contractor in the performance of the work. For purposes of this specification, vessel is defined as a watercraft or other artificial contrivance, whether motorized or non-motorized, used to perform some or all of the work as well as any incidental work related to the project, which includes, but is not limited to, barges, dredges, mobile offshore drilling units, floating cranes, tugboats, ferries, and any watercraft used to transport construction workers, materials, or equipment at the project. This specification does not apply when no vessel(s) will be used, which the Contractor shall certify in writing and submit to the Department prior to Contract execution. Such insurance shall be no more restrictive than that provided by the latest occurrence form edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01) as filed for use in the State of Florida. Cause the Department to be made an Additional Insured as to such insurance. Such coverage shall be on an "occurrence" basis and shall include Products/Completed Operations coverage. The coverage afforded to the Department as an Additional Insured shall be primary as to any other available insurance and shall not be more restrictive than the coverage afforded to the Named Insured. The limits of coverage shall not be less than \$1,000,000 for each occurrence and not less than a \$4,000,000 annual general aggregate, inclusive of amounts provided by an umbrella or excess policy. The limits of coverage described herein shall apply fully to the work or operations performed under the Contract, and may not be shared with or diminished by claims unrelated to the contract. The policy/ies and coverage described herein may be subject to a deductible. Pay all deductibles as required by the policy. No policy/ies or coverage described herein may contain or be subject to a Retention or a Self-Insured Retention. Prior to the execution of the Contract, and at all renewal periods which occur prior to final acceptance of the work, the Department shall be provided with an ACORD Certificate of Liability Insurance reflecting the coverage described herein. The Department shall be notified in writing within ten days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described herein. The Departments approval or failure to disapprove any policy/ies, coverage, or ACORD Certificates shall not relieve or excuse any obligation to procure and maintain the insurance required herein, nor serve as a waiver of any rights or defenses the Department may have.
