KEVIN J. THIBAUT
SECRETARY

January 28, 2019

To: Prospective Bidders

Maintenance: Jennifer Curls, Lisa Butler, Sandy Brink, Cassandra Howell, John Drayton,
Star Ayers

Addenda No.:1, E2Z09, Financial Project # 41021687204

Subsurface polyurethane injection as described in the Developmental Specification and replacement of damaged concrete pavement slabs (approximately 28 slabs with average dimensions of 12 feet wide by 20 feet long each) on SR 9 I-95 southbound at the I-295 South Interchange as identified in Contract Plans Exhibit A. The contractor will be required to perform polyurethane injection prior to replacement of the damaged concrete pavement slabs (approximately 10 inches thick) as described in the Contract Plans and per FDOT Standard Plans for Road and Bridge Construction. Replace all pavement striping, retro-reflective pavement markers, and sod all disturbed areas within the project limits in Duval County.

Attached is the Revised Specifications Package. Please discard the Original Specs that was sent out and use the one that is attached to this addendum.

If you are a BID DOCUMENT HOLDER for the subject project, please go to the Online Ordering Web Site at <https://fdotwp1.dot.state.fl.us/contractproposalprocessingonlineordering> to download Amendment File E2Z09 for this Bid Document from your Order History.

If you are a BID DOCUMENT HOLDER, please acknowledge receipt of this Addendum in AASHTOWare Project Bids by opening the Acceptance of Bidding Acknowledgements folder and confirming your acknowledgement of Amendment and Addenda files. Failure to load all amendment files will cause the bid to be rejected.

Thank you,

Jim Brown
