Roadways**

Scope of Services Revisions

SECTION 4. OTHER CONTRACTUAL REQUIREMENTS – ADDITION OF 4.10

4.10 - The Contractor is required to ensure:

Standard landscaped (non-Bold) areas are to be maintained in accordance with the Department's Guide for Tree, Palm Maintenance for Urban Roadsides and Landscape Areas. The Contractor shall be responsible for replacing all vegetation immediately upon discovery that is diseased or dead unless the Contractor can demonstrate to the satisfaction of the Department's local Maintenance Engineer replacement should be postponed. The contractor shall maintain any landscape enhancements that are added to the system.

The Department will randomly evaluate the landscaped areas to determine if they are being maintained to standards. Landscaped areas that are unhealthy or unattractive (presence of weeds, undesirable plants and trees, debris, dead or dying plants, and overgrown appearance) will not meet the performance requirement. The Department will inspect landscape areas no more often than once per month.

Failure by the Contractor to meet this performance requirement will result in a deduction of \$2,500.00 per inspection per landscaping location.
