To: Prospective Bidders

Construction: Kathy Thomas, Travis Humphries, Star Ayers, Carrie Stanbridge, Brandi Vittur, Amy Williams, Renee Brinkley, D2-ESTSPEC

**Addenda No.:1, E20F5-R0, Financial Project # 40931165201**

**(District-wide Traffic OPS (Turn Lanes & Signals), Push Button) Milling and resurfacing, base work, shoulder treatment, drainage improvements, curb and gutters, traffic signal, lighting, highway signing, guardrail, sidewalks, and other incidental construction throughout District 2, District-wide.**

**In relation to Bid Q&A question 32558, this project does not utilize the bid factor method. The contract advertisement states the Department's estimated quantities and the Contractor's bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder. The amendment file issued with this addendum, once loaded into the electronic bid document, removes the prepopulated unit prices allowing each contractor to input their unit bid prices.**

If you are a BID DOCUMENT HOLDER for the subject project, please go to the Online Ordering Web Site at <https://fdotwp1.dot.state.fl.us/contractproposalprocessingonlineordering> to download Amendment File E20F5-R0.001x for this Bid Document from your Order History.

If you are a BID DOCUMENT HOLDER, please acknowledge receipt of this Addendum in AASHTOWare Project Bids by opening the Acceptance of Bidding Acknowledgements folder and confirming your acknowledgement of Amendment and Addenda files. Failure to load all amendment files will cause the bid to be rejected.
