Contract Descr: MARIANNA MAINTENANCE - CORRIDOR TREE TRIMMING

The Improvements under this Work Document-driven Contract consists of cutting and trimming of trees and underbrush to maintain a corridor within the right of way of State Roads 277, 77, and 2 within Jackson and Washington Counties, as shown in the Appendices. The purpose of this work is to maintain the clear zone and address sight distance safety issues. The removal and disposal of the debris generated in the performance of the contract is incidental to the pay items listed. Maintenance of Traffic and Mobilization will be incidental to the pay items listed.

This contract has a budgetary ceiling of \$100,000.00.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Departments estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.

A Proposal Guaranty will not be required on indefinite quantity contracts, such as work document contracts, with an advertised budget amount of \$150,000.00 or less regardless of the bid amount.
