**Bid Questions and Responses 4**

1) **Question:** Do we need to acknowledge receipt of addendum in the LOR?

**Response:** The addendum should be signed at the bottom of the page and returned via email or attached to the LOR.

2) **Question:** Do we need to include pages 60-66 of the Non-Technical Specifications in the LOR? If so, which ones?

**Response:** The Minimum Requirements Statement should be completed and returned with the LOR. The FHP Cost Estimating should not be returned with the LOR.

3) **Question:** If we are prequalified with FDOT, do we need to include any of the pages from 38 to 66 of the Non-Technical Specifications in the LOR? If so, which ones?

**Response:** If prequalified with FDOT, pages 38 – 66 of the Non-Technical Specifications are not required to be submitted with the LOR.
