**Description:**

The Improvements under this Site-Specific Contract consist of restoring outfall ditches for the state road system within Calhoun County. The purpose of this work is to cut and remove fallen trees, stumps, vegetation, debris, remove construction and demolition debris located within the outfall ditch areas, clean and maintain the outfall ditches to address drainage issues caused by Hurricane Michael. Access to ditches may be limited. Contractor should have a plan to clear ditch from within the limits of the ditch. If right of entry is required, contractor shall restore property to original condition at no cost to the department. Due to the destructive forces of the hurricane, re-shaping of ditches may be required. The removal and disposal of the debris generated in the performance of the contract is incidental to the pay items listed. Maintenance of Traffic, Mobilization, and Erosion control devices will be incidental to the pay items listed.
