Description:

The work under this push button contract consists of trimming and/or removal of various species of trees, and stump grinding within the right-of-way of various roadways within Jackson & Washington Counties. Work also consists of the removal and disposal of waste and debris generated in the performance of the contract. Locations of trees to be trimmed or removed will be determined by the department and provided to the contractor by the issuance of a work document on an as needed basis. Maintenance of Traffic and Mobilization will be incidental to the pay items provided.

This contract will have a budgetary ceiling of \$250,000.00.

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The Departments estimated quantities and the Contractors bid price will be used to calculate a total bid amount. This total bid amount will then be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed. For this Contract in which specific sites are not identified at the time of letting, the Engineer will issue a Work Document. Work Documents will identify the location, description, amount of work to be accomplished, and the number of calendar days to complete the work.
